English Day Camp is a highlight each summer. The girls enjoy classes in Written English, Spoken English and Math. After lunch, they participate in games, zumba and drama. Singing is one of the better ways to learn English so you will hear songs like *If you are happy and you know it*, *This old man*, *Sarasponda*, *Chicka boom* and more. Songs are with hand and body motions and together we sing aloud. College girls and PinK Girl alumni are the leadership team for camp.
